

Launch of the WHO European Quality Standards for Child and Adolescent Mental Health Care

DATE: 27 MARCH 2025

LOCATION: ONLINE

TIME: 10:00 AM CET

The WHO Office in Quality of Care and Patient Safety in Athens is pleased to invite you to the launch of the WHO European Quality Standards for Child and Adolescent Mental Health Care—a pivotal initiative designed to enhance the quality of specialized mental health services for children and young people across the WHO European Region.

Agenda Highlights

- Presentation of most up to date data on child and adolescent mental health across the WHO European Region
- Launch of the Quality Standards and gathering your feedback on the implementation plan
- Interactive Consultation: How can we improve the quality of care for children and adolescents?

Join us for this important discussion to shape the future of child and adolescent mental health services in the WHO European Region.
